R500 Plastic Foot : 100x100

The R500 plastic foot is our new heavy duty foot suitable for 100x100 box section. It has been designed and manufactured in house to offer a larger product range for our customers.

It is made with a High Density Polyethylene (HDPE) plastic making it lightweight and very robust. There is an anti-vibration foam pad pre attached to the foot ensuring there is no reaction with the waterproof membrane.
